

# CONGRATULATIONS

*on your assignment to USS NIMITZ (CVN 68)!*

Our new sponsorship program is dedicated to provide you with the highest quality service the Navy can offer to our new Sailors. The following are instructions on how to get from SEATAC Airport to Naval Station Everett:

- Report to the information desks by door “00” next to Carousel #1 and request “**GO SHUTTLE**” transportation. You may also call the shuttle service at **425-981-7000** prior to or upon arrival. This ride will cost you **\$39 one-way** (keep the receipt) but it can be cheaper if you are riding with someone else going to the same location. While waiting for the shuttle, you could also visit the USO located on the second floor of the Airport.
- Provide the shuttle driver the address for the base which will be **2000 West Marine View Drive, Everett, Wash. 98204**. (GO Shuttle may already know this location as they service most of the prior Sailors stationed on base but be prepared just in case.)
- **Call your assigned sponsor** or department sponsor coordinator prior to arrival at the gate so they can meet you upon arrival. If, for some reason, your sponsor is not available and no prior coordination was done, contact the following numbers:

- **If Ship’s INPORT:**

Contact the ship’s **quarterdeck** at **(425) 304-5068**. The ship’s OOD/JOOD will send a department representative to meet with you to assist you with the checking in or setting up your initial department orientation and lodging if it’s after working hours.

- **If Ship’s UNDERWAY:**

Call the **Sponsorship Hotline** at **(360) 990-6242** or Master Chief Electronics Technician Michael Paige (Beach Detachment Officer in Charge) at **(360) 990-6195**. The **Beach Det. Office** is located in Bldg. 2000, Room 114, right behind the Base Medical Clinic.

Your sponsor plays a major role with your transition so if you feel that he/she is not meeting your needs prior or during your transition to the command please contact Chief Hospital Corpsman R.J. Barcelona, Hospital Corpsman 1st Class Hernandez or Command Master Chief McIntyre to discuss any discrepancies or issues.

***We are looking forward to your arrival and for you to be a part of the Nimitz Team!!***

# EXECUTIVE OFFICER

*Capt. Michael Donnelly*

Congratulations on your orders to USS NIMITZ: first in class, first in fleet. We are incredibly excited to have you join the crew, where you will quickly realize a very high standard of professionalism and high level of pride in the fact that we are the lead ship for our nation's ten NIMITZ class carriers. You will be part of a significant legacy in our nation's Navy.

NIMITZ' home port location in Pacific North West offers some very unique opportunities for our crew and families. Any permanent change of station has a lot of anxiety and anticipation associated with it. Your sponsor is readily available to assist you with your arrival and to help you get settled into the area and the command. Whether this is your first fleet assignment, your first aircraft carrier tour, or your first Pacific North West home port, I am certain that you are going to find your tour on NIMITZ exciting and full of professional opportunity.

Congratulations again. I look forward to seeing you on the deckplates!

As Command Master Chief I consider my most important role to be that of your advocate; a job I take very seriously. As such it is my desire that your transition to the NIMITZ be a smooth one. To that end, I ask that if you have not been contacted by your divisional Sponsor within the next week, please email or give me a call.

My contact information is as follows: [cmc@cvn68.navy.mil](mailto:cmc@cvn68.navy.mil) Again, congratulations on your orders to Team NIMITZ.
